The small farm on the East Montpelier road, which was owned by Charles Fortier and wife, was sold Saturday through the D. A. Perry Real Estate agency to G. W. Aldrich of Richmond. Charles J. Blanchard sold his farm, near Berlin pond, this morning to Elber House and John Benjamin. Corporal Harry Levin arrived home yesterday from Camp Devens after having obtained an honorable discharge after 18 months of service in the 101st ammunition train, nine of which were passed in France. He returns without a scar, though he figured in several of the most important battles, among which was the much spoken of Chateau Thierry. He was one of the first young men to enlist from Barre after war was declared on Germany by the United States and left shortly before Co. C was formed in Barre.

Two box cars were derailed this morning about 7 o'clock in the Barre yard near Granite street while being sidetracked to the Central Vermont freight depot. A friction block on one of the cars, which is attached just over the trucks, broke off and dropped between the rails of the railroad frog as the first car was passing over it. As the remaining trucks struck it they were thrown onto the ties and forced several yards by the engine before being halted. Several of the brakemen worked strenuously to right the cars in order to allow the morning train which leaves the station at 8:25 to run out on time and were successful, as their task was completed about 10 minutes before the train should leave.

A FEW TICKETS AVAILABLE

For Washington County Branch of Red Cross.

A letter was received to-day by Mrs. N. D. Phelps, president of the Barre branch of the Red Cross, from Mrs. R. B. Denny, secretary of the Washington county chapter, concerning a matter that will be of much interest to all Red Cross workers, inasmuch as it has to do with the approaching welcome to the 26th division in Boston. The letter is as follows:

"A letter was received by me yesterday from James Jackson of the division office (at Boston), stating that the Red Cross was to erect a grandstand holding about 4,000 people in order to give those who have worked for the Red Cross an opportunity to witness the celebration which is to be given in Boston towards the end of this month for the 26th division."

"This chapter (Washington county) is entitled to 38 tickets, which are to be sold for \$2 each. No division of these tickets has been made as to each branch in the chapter. The number of tickets you wish, together with the money covering the same, must be forwarded to this office (room 6, Union block, Montpelier, Vt.), so that I can send it to Boston not later than April 12 or next Saturday. The tickets will be sent from the division office on receipt of the money. The time is very short in which to make this known and get the results from your town, but the information

was only received at this office yesterday."

"I do not expect to receive orders totalling in excess of the number of tickets which the chapter has been allotted, but if such should be the case, a division as to each branch will have to be made, and you will be advised of the number which your branch is entitled to receive, and your money refunded if you have made an over-payment."

"Please give this as much publicity as you can in the limited time, and report the results to me as soon as possible."

"Mrs. R. B. Denny."
